

Compelled by Christ!

Just a year ago, we began what has become a GREAT ADVENTURE! One destined to prepare us for the future!

- To raise leaders.
- To address the soft spots in our mission.
- To strengthen the primary arenas where leaders come from - our campuses & campus ministries.
- To develop ways to sustain our walk together as this Nebraska Synod.

66% (167) of our congregations have said YES and a number of congregations are still working on this.

**Phase I is a BOOMING SUCCESS!
Now, we launch *Phase II*.**

We're seeing results...

- Operation IDEA is growing.
- Fifteen individuals will become spiritual directors over the next two years, joining with others to provide us with nearly 30 spiritual directors in the Nebraska Synod.
- Theological Education programming continues.
- Lay Leadership events are staggering successes.

At camp...

- Camper numbers, for a number of years on the decline, are up significantly because of the exciting new high ropes elements and a new spiritual depth not seen before.
- The Swanson center debt is going down.
- Endowment funds have been established for persons with special needs and for subsidizing the usage of Sullivan Hills in western Nebraska.
- Old summer camp facilities are being rebuilt.

In campus ministry...

- Conversations have begun in academic settings not now served by our Nebraska Lutheran Campus Ministry.

Thank you to the mission centers listed below for their generous support of the Feed the Roots campaign...
